Good Afternoon Lisa,

I hope you had a lovely holiday weekend.

Thank you for taking the time to answer the Controller's questions, it is much appreciated. Do you by chance know (roughly) how many people you are expecting at the meeting?

Please do forward me the "Run of Show" for the program as it becomes available. We thank you for the offer to allow Controller Galperin to speak, I'm sure he will be very honored. I am going to take the current information to the Controller and hopefully get an RSVP out of him.

We'll be in touch.

Dear Phillip:

Yes we would love to have the Controller attend. Here are the answers to your questions regarding the HMD Annual Stakeholders Meeting:

- Who will be the main contact name and contact information (cell phone and email address) for the day of the event? I would be the main contact for the event (Lisa Schechter, Executive Director cellular [818-903-6970](tel:818-903-6970) phone and/or text)
- Would the Controller have a speaking role in the meeting? If yes, please specify in what capacity and any topics that you would like covered or talking points that you would like him to address? If the Controller wishes to speak in front of the Stakeholders during the program he is welcome to do so. He could speak about relevant topics on the budget and the positive impacts that Business Improvement Districts have in our City.
- Can you please provide a "Run of Show"/timeline for the evening? The event starts at 5pm – As of right now we have not finalized the program however I am going to assume that it should begin around 5:30 no later than 6pm.

- What other elected officials and VIP's have RSVPd? The following Electeds have rsvp'd: CM O'Farrell, CM Ryu, Assemblymember Bloom, Public Works Commissioner/President Kevin James, Hollywood LAPD Captain Tony Carranza, Hollywood Chamber President/CEO Leron Gubler, Hollywood Neighborhood Prosecutor Steve Houchin - still waiting on reply's from other elected's offices
- Will elected officials be recognized? Yes of course
- Is this a ticketed meeting? If so, would you know the Fair Market Value (for our Office Gift Log)? No this is not a ticketed meeting. The meeting will be followed by a light dinner & reception
- What is the attire? Business or business casual
- Can you please send parking information? Complimentary valet parking will be provided at the event location at 1034 N. Seward Street (just 1/2 block south off of Santa Monica on the east side of the street)
- Please send any other relevant information. The Hollywood Media District BID is comprised of nearly 330 unique property owners representing 526 parcels and over 350 business. The mission of the Media District is to enhance the security, cleanliness, beautification and commercial desirability of the Hollywood area within the BID's boundaries. The BID oversees an annual budget of \$1 million dollars and works in conjunction with the City Clerk to oversee said distribution of funds. The Media District area has surged with development coming on line: Completed Projects: JH Snyder creative office campus 250,000 sf, HQ Development transformed a prop house to 33,000 sf creative office space, SIM Group merged their 3 post production companies to the 65,000 sf historic Kodak campus. As we get closer to the event date, I will be able to provide a timeline for the program. I am hoping that Controller Galperin will be able to stop by. Thank you again for your consideration.
